For Team Contacts

WWCC

In order for Central Coast Touch to fulfil legal obligations, it is a requirement of all team contacts and officials who will be working with children (under 18 years) at a competition under the control of Central Coast Touch to complete a “Working with Children” (WWC) check.

Follow these steps to apply for a WWC check and receive a WWC number:

Step 1:

Apply for a WWC check by completing the on-line application form or visit

<https://www.service.nsw.gov.au/transaction/apply-for-a-working-with-children-check>

Step 2:

Attend your nearest Service NSW Centre (prev. RTA) and provide them with current identification.

Step 3:

Provide your WWC number to Central Coast Touch lauren.taylor@centralcoasttouch.com during the team registration process, or as soon as it is received.

All team contacts must be over 18 years old or over, with a Working With Children Check number, in accordance with NSW State Government Legislation.

Missing Team Contact

Team Contacts must attend all team games. N.B. If a team contact cannot attend a team game, they must advise the Central Coast Touch prior to the game in order for the committee to appoint and/or be aware of teams with no supervisor with relevant Working With Children Check qualifications OR advise who will be running the team and provide WWCC. **Email** paul.farah@centralcoasttouch or **text** 0410 305 771.

Team Contact on the Field

If another person is going to be on the field with the 8s who is not the team contact please ensure you contact Central Coast Touch with details and WWCC number.

The same rule applies for the 10s who can have someone on the field for the first two games.

(They must also wear enclosed footwear).

Representative Players:

- The clubs policy is that no team can have more than **three** Central Coast Dolphins current 2023-24 Representative players in the one team, including Vawdon Cup 2023 and 2024 and Senior State Cup 2023
- The committee has the final say on the makeup of all teams. If unsure please send the club a team list so you have plenty of time to find new players if the committee decides that your team is too strong.

Competition Format:

- Games will be between 30 or 35 minutes straight. This will be dependent on the number of team entries.
- Time slots will be 4:15, 5:00 & 5:45 (This could slightly change depending on team numbers: 4:15 will always be the start time for the first slot). All age groups will be required to play at all times. These may vary according to team numbers.
- 19 Girls Division may play at 4:15, 5:00, 5:45, 6:40 & 7:30
- The venue is at Adcock Park, West Gosford.
- Finals and Playoffs will take place Monday 9th December between 4:15pm and 8:00pm.
- Players can only play in one team per season.

The “Drop off” Rule will apply only in Semi-finals and Finals if the full time score is a draw.

Uniforms:

- **Team Shirts:** Players will be provided with a playing shirt and these must be worn when playing. Once shirts have been distributed to all teams no unauthorised playing shirts are to be worn on the field.
- Playing barefoot is not permissible.
- Shoes without screw in studs or cleats are to be worn (joggers are permitted).
- JEWELLERY is not permitted – this includes any body piercing, earrings, watches, rings and power bands.

Game start times: There will be a long hooter to the start of the game. TIME WILL COMMENCE WHETHER YOUR TEAM IS ON THE FIELD OR NOT.

Forfeits: If your team is short, please borrow players from the other team. We prefer not to have forfeits at all. If a forfeit must happen, then please notify the club between 3pm and 3:30pm on the day. Failure to do this will result in zero competition points and a 5-0 loss recorded. Notification can be emailed to paul.farah@centralcoasttouch.com or 0410 305 771.

Draw: The draw will be available on the Central Coast Touch website via MySidelines and on the notice board at Adcock Park on game day.

Cancellations: Notifications of cancellations of games due to wet weather will be:

1: Text message sent to team manager via WhatsApp.

2: Posted on Facebook and Instagram These processes will take place at 3.35pm.

The club will attempt to catch up cancelled games with double headers, however this will depend on the number of games cancelled and the amount of teams entered into the 2024 competition. ALWAYS assume touch is ON unless you receive information through 1 of the 2 notification processes above.

Wet Weather Results: If games get cancelled after starting, the result at the time of the cancellation will stand. If games are cancelled before tap off, the result will be a 0 – 0 draw. If the whole afternoon is cancelled the results will be 0-0 and bye teams will receive their points. This will only occur if we are unable to catch the round up.

Injuries: All injuries must be reported to the canteen area immediately after the game is completed or email paul.farah@centralcoasttouch.com Injuries not reported will not be eligible for insurance cover.

Insurance: Players registration fees include a compulsory insurance/affiliation levy of \$22 that is taken out by Touch Football Australia when you register online. **This fee is taken out once a year.** If you play in more than one Touch competition anywhere in Australia, this fee will be taken out the first time you register from

July 1 to June 30. All players are covered by Sportscover Insurance. For information on the insurance coverage go to the sportscover website.

Disputes: Any disputes or complaints regarding rules or regulations of Central Coast Junior Touch must be forwarded to the junior coordinator in writing at paul.farah@centralcoasttouch.com

Council Requirements: Smoking/vaping and the consumption of alcohol is not permitted anywhere near the fields during junior sporting events by order of Gosford Coast Council.
